Fáilte ó Chathaoirleach Chomhairle na Mumhan

Is mór an onóir domsa fáilte a chur roimh gach éinne anseo inniu. Cuirim fáilte faoi leith roimh na h-imreoirí iomána agus camógaíochta. Ta súil agam go mbainfidh gach duine an- taitneamh as an lá.

It is my privilege as Chairman of Munster GAA to welcome everyone to Limerick today for the Munster leg of the Wheelchair Hurling / Camogie Event in Mary Immaculate College.

In particular, thanks to the family and friends supporting the players not only today, but at the various Wheelchair Hurling / Camogie events which take place across the country over the course of the year.

Our Association is about promoting and participating in our national games. Our communities are at the heart of what we are and do and these games here today epitomise the importance of diversity, inclusion and participation by all. Their inception, growth and development are a credit to all those involved and long may their good work continue.

I wish to thank the Munster Games for All Committee and all those who helped organise today's event and Mary Immaculate College for hosting it. Finally, best wishes to the teams taking part today

Go n-éirí an t-ádh libh go léir.

Beir bua is beannacht,

Tadhg Ó Murchú, Cathaoirleach Chomhairle Na Mumhan
